Jason, rest in peace old friend.

What courage! He fought tooth and nail an insidious illness with fortitude and incredibly good humour. He was determined to explore every avenue to beat his plight. Not only that he was generous to a fault in helping and advising others in similar

circumstances. He was a giant in more ways than one.

It is not possible to capture in a few words his humour, his love of banter, his pride in his family and his love of food.

What we can best do is remember a genial person, an honest friend and a much loved colleague, one whose life was unfairly curtailed too early.

Our thoughts are with Sandra and his darling daughters, his extended Miller and Stewart families.

Aiden

There are simply not enough words to justly describe the man you were.

I can't believe you are gone from this earth but I will be forever grateful for the friendship we shared, initially as work colleagues and later as good friends. Your kindness knew no bounds, your wit and banter priceless and if ever someone needed a 'dig out', you would step up, even during the depths of your sickness. You were a big man for the moral compass, and you sure did live by it. I am going to miss you but thank you for enriching my life.

To Sandra, Annabella, Ewa, Alexandra, Beatrice and Tessa May and all the extended Miller and Stewart Families, my deepest sympathies to you on the loss of Jason, one of life's real good ones.

Dear Sandra and girls - never was there a truer expression or more fitting than only the good ones go young. I didn't know Jason well but he always made me feel like he was delighted to be in my company. It feels like only a few months ago that we were drinking coffee and he was filling me in on his 'Shergar' deals. The lovely photo you have of him here with the megawatt smile says it all. May you cope with his loss with the same strength that he bore his illness. The property community is the worse for losing him. Rest in peace Jason.

Dear Angus and the Miller family. My deepest sympathy on Jason's untimely passing. Jason was a true gentleman, great dad and always had a smile. May his gentle soul watch over his beautiful family in the difficult times ahead. Rest in peace Jason.

Difficult to add anything new to the many expressions of sadness at Jason's passing. A true gentleman, professional and great company over a relaxing pint. Performing a random act of kindness in his memory is only fitting given that he did so many for everyone else.

Deepest Condolences to Jasons family and many close friends on his untimely death
We had the privilege to know Jason and consulted him on many occasions on property issues and we both sought and valued his advice and expertise
He always spoke about his wife and family with such pride and love and he and I
(Siobhan) had a hip replacement in common and we shared our ups and downs on many occasions with a good giggle
We will genuinely miss Jason terribly such a big loss
A gentleman
